WEIGHT
350 lbs.
CAPACITY

Jet™ 1HD shown in Jet Red with gray medium-back seat and Pilot controller.

The Jet™ 1HD combines stylish design and high-performance technology in an economical package. Utilizing Pride®'s patented JZMD™ mid-wheel drive technology, it provides superb maneuverability and a tight turning radius of only 19.5 inches. The Jet 1HD features a 350 lb. weight capacity, multiple footrest options, a fully programmable joystick controller, an on-board battery charger and two stylish color choices.
