DESCRIPTION

As seen on ABC's Extreme Makeover: Home Edition, Harmar's AquaJoy Premier PLUS Bath Lift continues the Harmar tradition of high quality products designed to be easy to use and simple to install!

With zero installation required, the AquaJoy Premier PLUS bathlift makes getting in and out of the bathtub safe, simple and worry free. Its universal design fits every standard bathtub (even corner baths!) and features automatic reclining along with a low battery safety switch. Although the AquaJoy weighs only 27.5 lbs, it can safely support up to 375 lbs—the highest capacity in the industry!
