

# Stretch Form Fit 1 Piece Recliner Slipcover

Instructions for Medium and Large Recliners

**It's as Easy as 6 Steps to a SURE FIT**

## 1 POSITION

Position fabric over back and set shoulders in place. Pull cover down to wrap underneath the base of the furniture.

## 2 ARM COVERS

Recline backrest slightly and raise footrest for all steps. Locate labels on the inside seam of the cover marked Top Of Arm. Position arms using labels as your guide. Tug and stretch to pull under bottom to hold securely. Place handle opening over handle, set darts at bottom of inside arm.

## 5 TIES

Tie elastic loops beneath the footrest to maintain the position of the footrest and arms.

**If you do not use the four elastic loops – please carefully remove by cutting close to seam."**

## 3 BACK

Smooth fabric toward seat, tuck into sides and back.

## 6 FINISHED

Carefully pull seat elastic loops through the back of the recliner where it can be attached to any hardware

## 4 FOOT REST

Position front pleats of footrest onto front corners of footrest.
